

# ASX ANNOUNCEMENT

## Dolomatrix International Limited

Thursday, 29 March 2012

### ASX Limited

Tox Free Solutions Limited ("Toxfree") notes Dolomatrix International Limited's ("DMX") trading halt request and announcement both dated 28 March 2012 ("DMX Announcement").

The dispute referred to by DMX relates to the draft completion balance sheet which has been prepared by Toxfree in connection with the post-completion price adjustment mechanism contemplated by the acquisition agreement entered into with DMX on 15 December 2011 in relation to the Transaction.

The acquisition agreement includes a mechanism for resolution of any disputes relating to the draft completion balance sheet within a relatively short period of time. Toxfree proposes to follow this procedure to the extent that an acceptable resolution to the dispute cannot otherwise be reached with DMX.

Toxfree does not consider the dispute referred to in the DMX Announcement to be material to Toxfree in the context of the transaction whereby Toxfree acquired Chemsal, BCD Technologies, Entech Industries and Waste Audit from DMX which was completed and announced on 15 February 2012 (the "Transaction").

Yours faithfully

STEVE GOSTLOW  
Managing Director
