APPOINTMENT OF PETER GOODWIN AS CHIEF OPERATING OFFICER

Tox Free Solutions Limited ('Tox Free' or 'Company') is pleased to announce the appointment of Peter Goodwin as Chief Operating Officer.

The Chief Operating Officer position is a pivotal role that will strengthen our management team and facilitate the achievement of our growth strategy of providing industrial and waste management services nationally, with a particular focus on obtaining and servicing long term contracts within the oil, gas, mining and heavy manufacturing sectors.

Peter will be responsible for all operations nationally, his primary focus will include implementing the corporate growth strategy and partnering with our regional management teams to ensure business plans are achieved and our business and employees are protected from harm.

Peter brings a host of senior management experience to the Executive team. In his previous role with Veolia Environmental Services, Peter was directly responsible for Veolia operations in three states, including New South Wales, Queensland, and Western Australia as well as Veolia's National Industrial Services business employing over 2000 staff. Peter has a Bachelor of Commerce and a Masters of Business Administration.

Tox Free is very focussed on its long term future. The appointment of Peter will strengthen our ability to grow through strategic acquisition, further contracts and organic growth of our existing divisions.

Yours faithfully

STEVE GOSTLOW
Managing Director
