POLLUTION INCIDENT RESPONSE MANAGEMENT PLAN (PIRMP)

AFTER-HOURS EMERGENCY NUMBER:

1300 66 77 87

Notifying Pollution Incidents

A pollution incident must be notified if there is a risk of material harm to the environment.

Material harm includes:

- Actual or potential harm to the health and safety of human beings, or to ecosystems; or
- Actual or potential loss or property damage, exceeding \$10 000.

Report pollution incidents IMMEDIATELY and in line with company notification protocol.

Notify ALL relevant authorities, in the following order:

1. The Environment Protection Authority (Environment Line 131 555)
2. The Ministry of Health (via Public Health Unit) - Wollongong (02) 4221 6700
3. SafeWork NSW (131 050)
4. Local Authority Wollongong City Council (02) 4227 7111.
5. Fire and Rescue NSW (1300 729 579 [Pollution Incident Hotline])

9.0 COMMUNICATING WITH NEIGHBOURS AND THE LOCAL COMMUNITY

[clause 98C(1)(i)]

In the event of a Pollution Incident employees will work with emergency service to insure the neighbours and community are informed. Mechanisms to be considered are as follows:

- Letters.
- Letter box drops and door-knocking.
- Telephone calls.
- Broadcasts via local Radio.

Specific information to be provided may include:

- The nature of the incident and the type of hazard that exists.
- The type of pollutant.
- Prevailing winds.
- Height and magnitude of the emission.
- Location of any off-site fall-out impacts.
- The area affected by the incident.
- Advice on whether to evacuate, or stand-by to evacuate the area (as per Fire & Rescue instruction).
- Possible impacts on sensitive receptors.
- Instructions on whether to close doors and windows for incidents involving air pollutants.
- Who to contact.
- When the next update will be.
